A MESSAGE FROM ART ROBERTS

News Flash: The chances of anyone getting COVID by using the bunker rakes is zero or very near zero, so let's use them. Remind players that you see not using them to do so.

We are on the verge of normalcy and thank goodness. Pat yourselves on the back for the progress made to get this behind us. But caution that diligence is still key, follow the guidelines as they change.

Kudos to the staff at Sterling Hills, you must agree that the course is in fantastic shape. Green is again the color of golf. You have noticed changes to the new forward tees that will be opening soon and efforts to level some of the existing teeing grounds. These changes will offer more opportunities and challenges to new and existing players.

The Saturday Team Play got off to a SCGA imposed late start, but our team fared very well. Congratulations to Captain Jason Payne and see his report herein. In addition, we tried something a little different this year and put together a Friendly Team Play event with Cypress Ridge in Arroyo Grande. The teams consisted of two pros and fourteen members from each club in home and home play. Cypress Ridge won the first event with final score being 51-45. The program was such a success that the players mutually agreed to play each other again in the Fall and pledged to continue on a yearly basis. So be on the lookout for the next blast to go out asking for volunteers to play.

As Summer approaches and the days get longer, there are more hours to enjoy a round of golf, so let's get out and play. Take a good look at the schedule of events calendar and sign up for the competitions that are offered.

REVISED CLUB MEMBERSHIP ANNIVERSARY RENEWAL DATES -

As a reminder, due to COVID restrictions last year anyone who had not already renewed whose anniversary date fell between April 13 through June 30 was given a new anniversary date of July 1 by the SCGA. In effect those members received an extra two and a half months of membership due to the shutdown. Because of this action there are several of you whose **new renewal anniversary date is now July 1** or soon thereafter. So, if you fell into this grouping look for your renewal emails as they come up over the next two months. Your anniversary date for renewal will be different going forward.

2021 Team Play (Saturday)

As you can see, we did awesome this year in Team Play. We tied for first with overall record but lost due to the head-to-head tie breaker with Rustic. Let's build on this and take it over the top next year.

Some highlights from the year are we won all home matches as we should and even won on the road at River Ridge. Our match at Soule Park came down to the last match last shot, so we were that close to winning group 7. We did show that we can beat Rustic and that they cannot just look at this group as an easy win.

I want to thank Mike Wright for all the work he did with helping get players and making sure scorecards and rules were good for each match. Thank you all for the participation this year and I cannot wait to go to battle with you all again!!!

Group 7

Rustic Canyon GC	4	2	0	8	172
Sterling Hills GC	4	2	0	8	158
River Ridge GC	2	4	0	4	127

Finally, on **June 24th, 2021 from 9:00 AM - 3:00 PM** we are hosting a **Drive, Chip and Putt** and looking for **volunteers**.

We will feed and provide drinks for them to help the kids safely navigate through driving, chipping and putting. You can sign up for a shift by contacting me directly. Shifts will be from 8-12 PM, or 11-3 PM. I am looking for 8-10 volunteers to assist.
